Who are we?

Created and co-funded by the European Commission, Enterprise Europe Network helps ambitious SMEs to **innovate** and **grow internationally**. The Network helps companies to:

- **Expand**, access **new markets** and turn ideas into commercial **success**
- **Develop** through **innovation**, EU legislation and business support
- **Access** European funding

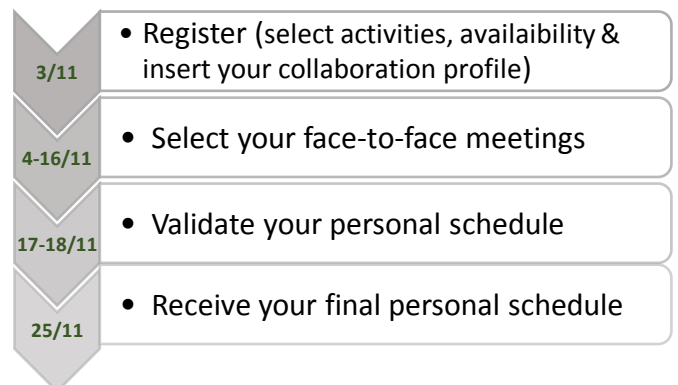

With over **600 member organisations** and **3000 experts** in more than **60 countries** across the EU and beyond, Enterprise Europe Network organises bilateral meetings to help enterprises find new technology & business partners. Contact your local Network advisor for further information. <http://een.ec.europa.eu/>

How does it work?

Register on our dedicated website:

<https://www.b2match.eu/greendays2016-pollutec>

The B2B meetings are pre-validated bilateral meetings that last 20 minutes and are based on profiles (Technology Offer/Request, Business/Trade and Partner Search for European Projects). **GREEN DAYS** is free of charge but registration and attendance is compulsory.

GREEN DAYS is a great opportunity to build **international contacts**, **detect opportunities** of development and reach technical/commercial **partnership agreements!**
